

 **MADE IN GERMANY**

CONVERSION KIT

PFT RITMO steel mixing zone to PFT RITMO powercoat long spraying gun

Part no. 00 10 19 51

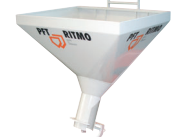

- Pump system A 2 – 2.5 L
with agitator RITMO powercoat
and hardened chrome stainless steel rotor
Part no. 00 08 80 50
- Mixing shaft RITMO powercoat, galvanized
Part no. 00 09 63 52
- Material hopper RITMO rubber mixing zone
Part no. 00 24 53 33
- Rubber mixing zone RITMO
Part no. 00 10 34 59
- Protection grille with motor flange
Part no. 00 22 72 62
- Material hose 1/2", 15 m with couplings
Part no. 00 08 73 54
- PVC hose NW 9 x 3 mm, 15 m cpl.
Part no. 00 00 85 21
- Extension cable 16 m for remote control
Part no. 00 08 80 49
- Cleaner coupling 13 female with Geka-coupling
Part no. 00 08 75 97
- Tool bag RITMO powercoat
Part no. 00 09 88 08
- Spraying gun 1,500 mm with air support
and electronic control
Part no. 00 09 48 98
- Water flow meter 31.5 – 315 l/h cpl.
Part no. 00 10 34 58 (without picture)
- Operating instruction RITMO powercoat
Part no. 00 09 07 41 (without picture)
- Video training PFT RITMO powercoat
Part no. 00 10 21 67 (without picture)

Part no. 00 08 80 50

Part no. 00 09 63 52

Part no. 00 24 53 33

Part no. 00 10 34 59

Part no. 00 22 72 62

Part no. 00 08 73 54

Part no. 00 00 85 21

Part no. 00 08 80 49

Part no. 00 08 75 97

Part no. 00 09 88 08
