

## PFT Spraying guns

### Functional description:

You can spray the mortar (mixed by the PFT machine) equally and in an efficient manner with the PFT spraying gun. By opening and closing the air tap on the spraying gun the machine is switched on and off.

PFT offers practicable spraying guns for any application:

*Do you want to plaster a wall?*

Then we recommend a short spraying gun with straight spray head.

*Or do you need to plaster a ceiling?*

Then a large spraying gun with offset spray head is the practical solution.

*For long lengths of hose we recommend a spraying gun with rotary aluminium coupling which prevents from twisted hoses.*

*In case of especially fine material the cone spraying cap enables a uniform spray pattern.*

Thanks to the broad variety of sprayings gun and the various possibilities of combination you will find for any application the right PFT spraying gun.

### Fields of application:

The spraying guns can nearly be used for all plasters and mortars.

### Advantages at a glance:

- ▶ adequate spraying gun according to customer requirements
- ▶ on / off switching of the machine by the spraying gun possible
- ▶ clean construction side
- ▶ wide selection of PFT spraying caps available

Our different spraying guns can be found on the back.

## PFT Spraying guns 25 mm

| Part no. | Description   |
|----------|---|
| 00111804 | Spraying gun 25 cap S10 (cone) 200 mm turn. w. air nozzle tube 4 mm EWO         |
| 00057901 | Spraying gun 25 mm cap S10 (cone) 200 mm Geka EWO                               |
| 00073668 | Spraying gun 25 mm cap S10 (cone) 200 mm Geka w. air nozzle tube 4 mm EWO       |
| 00097283 | Spraying gun 25 mm cap S10 (cone) 30° 600 mm turn. w. air nozzle tube 4 mm EWO  |
| 00247004 | Spraying gun 25 mm cap S10 (cone) 30° 900 mm turn. w. air nozzle tube 4 mm EWO  |
| 00247007 | Spraying gun 25 mm cap S10 (cone) 30° 900 mm fix w. air nozzle tube 4 mm EWO    |
| 00247010 | Spraying gun 25 mm cap S10 (cone) 30° 1200 mm turn. w. air nozzle tube 4 mm EWO |
| 00247012 | Spraying gun 25 mm cap S10 (cone) 30° 1200 mm fix with air nozzle tube 4 mm EWO |
| 00046396 | Spraying gun 25 mm cap S12 (cone) 100 mm mortar cpl., ball valve                |
| 00211091 | Spraying gun 25 mm cap F14 (flat) 200 mm smartline                              |
| 00211092 | Spraying gun 25 mm cap F14 (flat) 30° 200 mm smartline                          |
| 00247014 | Spraying gun 25 mm cap F14 (flat) 30° 600 mm smartline                          |
| 00002252 | Spraying gun 25 mm cap S14 (cone) 100 mm mortar cpl., 35 ball valve             |
| 20190002 | Spraying gun 25 mm cap S14 (cone) 200 mm mortar cpl.                            |
| 00136624 | Spraying gun 25 mm cap S14 (cone) 200 mm turn.                                  |
| 20190013 | Spraying gun 25 mm cap S14 (cone) 600 mm fix                                    |
| 00001399 | Spraying gun 25 mm cap S14 (cone) 30° 100 mm mortar cpl. ball valve             |
| 20190005 | Spraying gun 25 mm cap S14 (cone) 30° 200 mm mortar cpl.                        |
| 20190011 | Spraying gun 25 mm cap S14 (cone) 30° 600 mm fix                                |
| 00206440 | Spraying gun 25 mm cap S14 (cone) 30° 600 mm turn.                              |
| 00247015 | Spraying gun 25 mm cap S14 (cone) 30° 900 mm fix                                |
| 00247018 | Spraying gun 25 mm cap S14 (cone) 30° 900 mm turn.                              |
| 00247020 | Spraying gun 25 mm cap S14 (cone) 30° 1200 mm fix                               |
| 00247022 | Spraying gun 25 mm cap S14 (cone) 30° 1200 mm turn.                             |
| 00046226 | Spraying gun 25 mm cap S14 (cone) 30° squeeze valve                             |
| 00173939 | Spraying gun 25 mm cap S14 (cone) 30° squeeze valve w. fine adjustment          |

## PFT Spraying guns 35 mm

| Part no. | Description  |
|----------|--|
| 20196000 | Spraying gun 35V cap S14 (cone) with drilling          |
| 00006928 | Spraying gun 35V cap S14 (cone) without drilling       |
| 00148384 | Spraying gun 35V cap M20 (mortar cap) without drilling |

## PFT Spraying cap F, flat edged outlet, Packing unit: 10 pieces

| Part no. | Description                   |
|----------|-------------------------------|
| 20190701 | Spraying cap 8 mm             |
| 20190700 | Spraying cap 10 mm            |
| 20190800 | Spraying cap 12 mm            |
| 20190900 | Spraying cap 14 mm            |
| 20191000 | Spraying cap 16 mm            |
| 20191100 | Spraying cap 18 mm            |
| 20191200 | Spraying cap 20 mm            |
| 20190703 | Spraying cap without drilling |

## PFT Spraying cap S, cone Packing unit: 10 pieces

| Part no. | Description          |
|----------|----------------------|
| 00206797 | Spraying cap S 8 mm  |
| 00063290 | Spraying cap S 10 mm |
| 00062382 | Spraying cap S 12 mm |
| 00062383 | Spraying cap S 14 mm |
| 00201950 | Spraying cap S 16 mm |
| 00201951 | Spraying cap S 18 mm |

## PFT Spraying cap M, mortar cap Packing unit: 10 pieces

| Part no. | Description        |
|----------|--------------------|
| 20196500 | Spraying cap 18 mm |
| 20196600 | Spraying cap 20 mm |
