

PFT BOARDMASTER 6000

High quality drywall construction – easy, fast and efficient

The cutting table PFT BOARDMASTER 6000 for cutting, milling and drilling. With the milling aggregates moldings and folding elements can be created in nearly every form.

TECHNICAL DATA

Part no.	00 61 19 35
Processing dimensions: L/W/H	6,000 / 1,260 / 48 mm
Total weight	~ 333 kg
Connection details	3 kW
Undertable	steel panel galvanised, aluminium
Maximum number of aggregate	2
Milling device	1050 Watt
Sawing device for longitudinal sections	1530 Watt
Sawing device for cross sections	1530 Watt
Circular template infinitely variable	from 150 mm to 1200 mm

ADVANTAGES AT A GLANCE

		<p>1 Precision unit with a quick-changing system</p>
		<p>2 Precise guide carriages with a precision guide system, rear Recirculating ball bearing guides - round shaft Guide system, front Recirculating ball bearing guides, prism-type linear guides on high-precision ground surface</p>
		<p>3 Dust-free - integrated suction</p> <p>4 PFTstrong - patented system for edges with high mechanical stress bearing capacity</p> <p>5 Direct measuring system, electronic display Y-axis and X-axis; electromagnetic locking as per the head pressure</p>
		<p>6 Copying by using different templates</p> <p>7 Large working surface up to 6,000 x 1,260 mm; almost all commercially plates are workable</p>
		<p>Quick - easy machine operation</p> <p>Pneumatic lifting system of the unit for the Z-axis</p>

FIELDS OF APPLICATION

- Exakt cuts of numerous materials
- Auditing system
- Window frames
- Stuccowork, columns
- Fire Protection and various panels

ACCESSORIES

- Laser PreView - with 4 lasers the processing centre of milling device is shown
- V-Groove saw 90° for plate 13 mm
- Milling device 1050 Watt with integrated suction channel, swivelled to establish a sharpening angle up to 145°
- PFTstrong edge table, magnetic - for preparing flat edges

PART NO.

00 41 92 42
00 47 16 56
00 47 16 52
00 20 80 70

The PFT Service guarantee

Customer-friendliness, technical expertise and service-orientation. That's what the PFT brand with its sales and service centers worldwide stands for also in the coming decades.
